## A little about me...

A creative at heart with a flair for visual storytelling. I design everything from social media content and motion graphics to mock-ups and animations. Started out in 2D animation, grew into multimedia design, and now work as a digital art director. Also: certified nerd, Star Wars fan, and gamer for life. Super duper adaptive to new environments, challenges and programs.

## My experience...so far

- Digital art director | 99c | Nov 2023 - Present day
- Wordpress website builder | Jubilee Paint & Procurement | Private commission
- Multimedia designer | Guerilla Africa | June 2023 - Nov 2023
- Motion graphics designer | Reel Partners Internship | Dec 2021 - Dec 2022
- Freelance graphic designer | 2019 - 2021

## Tools & programs

## Education

- NQF Level 5 2D Animation Certificate | False Bay College | 2019 - 2020
